The foregoing report contains a synopsis of our financial transactions the past official year, which we respectfully submit to the inhabitants of Alton.

The expense of repairing the highways exceeds the tax raised by about one hundred dollars. There has been carried on the books of the town for several years as assets \$1,116.27 for taxes due the town for 1897. Abatements have been made on these taxes to the amount of \$259.49, which sum was worthless. The road breaking bill exceeded last winter's by \$671.10. New hose was purchased for the fire department at an expense of \$96.40. The Hayes road has been laid out at an expense of about \$120.00. The debt has been reduced the past year \$622.98.
